The council has continued to provide services to the public throughout the pandemic. Offering more of our services online and via the telephone has resulted in more efficient service delivery and positive feedback. Therefore, we intend to continue to operate this way.

We remain committed to providing our residents with a high level of service and we ask that appointments are made before attending the offices. To contact the Council, please first see what you can do online at www.castlepoint.gov.uk before calling us on **01268 882200**. For general enquires, email us at info@castlepoint.gov.uk
