Good afternoon, Terry

Thank you for your earlier email with an update re: Lewis Reynolds and Warren Smith of Place Services. Hopefully they will come back to you shortly.

We are chasing Hamish Jackson and as you saw earlier will also follow up with Richard Havis (in Lewis Reynolds' absence). I presume we have also not heard anything further from Place Services in relation to the HRA for our application at this stage?

I also have some comments on a few of the recommended planning conditions from statutory consultees. I will summarise in an email for you, and then perhaps we could discuss in advance of finalising your report?

Finally, subject to hearing back from Place Services within the request timeframe, could I please ask you to confirm if we are still on track for your report to be finalised by 6 October 2023? Are you also able to confirm the date of the committee meeting to be arranged, and the date that the agenda will formally be published (subject to receiving all necessary responses, as discussed last week)?

Kind regards  
Liam
