Subject: RE: Planning application consultation letter for application 23/0085/OUT

Having reviewed the application the provision of affordable homes 91 for rent and 91 for home ownership would be welcome within the borough given the level of pressure on the local housing market.

We would welcome the opportunity to work with the developer to identify the mix of property sizes required and the delivery of much needed new homes.

Regards

David Randerson
Housing Development and Finance Manager
