

Volume 3: Mapping Report

This report contains the site maps for the Strategic Housing Land Availability Assessment (SHLAA) 2016 Update. The mapping is shown on 20 pages covering the borough.

Map 1 provides an overview of the borough and indicates the location of the subsequent 19 maps. Maps 2 to 20 show SHLAA sites and their deliverability, (see key) in relation to ward boundaries and, (where applicable) Green Belt land as designated in the Adopted 1998 Local Plan.

The titles of Maps 2-20 denote the area of the borough covered in relation to the ward and the area of that ward in brackets e.g. “St. Peters Ward (North West)”; the North West of St. Peters Ward.
