* Details of nominations for these appointments will be circulated separately.

ANNUAL COUNCIL

15TH MAY 2013

Subject: Political Proportions of the Council and Appointment of Committees etc

1. Purpose of Report

To review the allocation of seats to the political groups on the Council.

To appoint Members to serve on the Committees and to appoint the Chairmen under the structure approved at this meeting last year designed to respond to the obligations and duties placed on the Council by the Localism Act 2011 .

To allocate seats to Councillor Joan Liddiard an Independent Member who is not part of a Political Group on the Council.

2. Background

Section 15 of the Local Government and Housing Act 1989 places a duty on the Council to review the allocation of seats to the political groups on the Council at the Annual Meeting of the Council or as soon as possible thereafter.

As there were no Borough Elections this year the allocation of seats to the political groups is unchanged from the report to Council last year.

In making these appointments the Council needs to consider the political proportions of the Council. The allocation of memberships on the Committees has to be on the basis of the political proportions of the Council.

It should be stressed that political proportions relate to proportions based on the respective memberships of political groups and not parties. In law, a group has to contain at least two Members. Consequently Councillor Mrs Liddiard as the only independent member is not part of a Political Group and it is for the Council to allocate seats to her on the Council.

Throughout the calculations on proportions, the figures have therefore been based on the proportions of the groups to the membership of the Council, i.e. 41as shown in the following table.

Party	Seats	Proportions for allocation purposes
Conservative	25	61% (60.97%)
Canvey Island Independent	15	37% (36.58%)

3. Appointment to Committees etc

In the remainder of this item relating to the appointment of Committees etc, the above political proportions have been applied and the allocations rounded to ensure compliance with the political balance requirement.

The Council also has to look at the overall allocation across all Committees etc to ensure the individual Committee roundings do not distort the overall balance, and there may have to be some overall adjustment to correct any imbalance caused through the roundings.

The Independent member takes 3 seats to take account of roundings.

The table below shows the total number of seats allocated to each group and the proportions:-

Party	Actual Allocation	Political Proportion
Conservative	48	61 %
Canvey Island Independent	28	37%
Independent Member	3	N/A
Total	79	98%

4. To appoint Members to serve on the Scrutiny Committee, together with the Policy and Scrutiny Committees and the Chairmen

The Council is asked to appoint the following Policy and Scrutiny Committees noting that the role undertaken by the Corporate Resources Policy & Scrutiny Committee has been absorbed into the Place & Communities Policy & Scrutiny Committee :-

Policy and Scrutiny Committee	Membership total	Conservative Group	Canvey Island Independent Group	Independent Member
Scrutiny	8 *Membership to comprise the Chairmen of the Policy and Scrutiny Committees DC & Audit Committees +1	5	3	
Environment	10	6	4	
Wellbeing	10	6	3	1
Place & Communities	10	6	4	
Total	38	23	14	1

5. To appoint Members to serve on the Audit Committee and the Chairman

The Council is asked to appoint the following Audit Committee:-

Committee	Membership total	Conservative Group	Canvey Island Independent Group
Audit	5	3	2

6. To appoint Members to serve on Regulatory Committees and where appropriate Chairmen and Vice Chairmen

The Council is asked to appoint the following Regulatory Committees:-

Committee	Membership total	Conservative Group	Canvey Island Independent Group	Independent Member
Development Control	13 (plus 2 Canvey Town Council representatives as non voting members)	8	4	1
Licensing (Note the Licensing Sub-Committee will consist of any 3 Members of the Committee)	15	9	5	1
Review	8	5	3	
Total	36	22	12	2

With regard to membership of the Development Control Committee Members' attention is directed to the government guidance which suggests that full exchange of information between the Executive and the Committee taking the development control decisions is essential. The guidance advises that the Council should consider including a member of the Executive on the membership of the Committee taking development control decisions although he or she should not be the Chairman of the Committee.

Details of the Groups' wishes regarding the appointments will be circulated at the meeting.

7. Review of Arrangements for Community Engagement

At the Annual Meeting last year Members approved new arrangements to replace neighbourhood meetings with Community Liaison Group meetings. These arrangements have not proved to be effective. It is proposed to request an appropriate Scrutiny Committee to review the arrangements for community engagement. Pending consideration by Cabinet of recommendations from the review public meetings of the Community Liaison Groups will be suspended.

Recommendation:

- 1. The Council is asked to make the appointments as detailed above.**
- 2. The Council is asked to appoint Councillor Mrs Liddiard as an Independent member to the Wellbeing Policy & Scrutiny Committee, Development Control Committee and Licensing Committee.**
- 3. To approve the review of arrangements for Community Engagement .**

Resolution required.
