- To contribute to achieving the Council's corporate objectives and priorities.
- To contribute to the Council's agenda for achieving continuous improvement in service delivery and any external performance assessments.
- To be a member of the Corporate Management Team.

MAIN ACTIVITIES:

1. To provide support and advice to Members on the law & practice and development, monitoring & review of the services provided by Environmental Services.
2. To make a positive contribution to the preparation and delivery of corporate aims, objectives and policies not only within Environmental Services but also in other relevant corporate areas.
3. To ensure that corporate aims, objectives and policies are effectively communicated and delivered to staff, partners and the community of Castle Point by providing high quality effective leadership and strategic management consistent with the Council's values.
4. To ensure that appropriately qualified and experienced staff are in post, through effective recruitment processes, retention techniques, succession planning, regular appraisals and personal development planning supported by effective training and development of all personnel.
5. To ensure that an effective service is provided within budget and with appropriate financial controls and monitoring in place.
6. To ensure that effective services are delivered using appropriate statutory and Council procedures, with systems in place to accurately record and protect data and processes, and provide regular accurate reporting on activities in accordance with national and local requirements.
7. To ensure that appropriate performance management mechanisms are in place to monitor and record service delivery in accordance with agreed aims, objectives and plans, with accurate and timely reporting arrangements embedded in service teams.
8. To ensure that the Council is represented and performs an effective role in the various partnerships

to which it belongs and through which the delivery of effective services are provided.

9. To ensure the preparation and consultation on effective service plans and strategies.
10. To establish a culture which is consistent with all of the Council's values, and in particular focuses on high quality effective customer service and satisfaction, and which encourages ambition and innovation in service delivery to achieve continuous improvement.
11. To act as an ambassador for the Council in its work with partners and the community by championing the Council's priorities and core values.
12. To ensure compliance with all health and safety, risk management, environmental health and licencing requirements.
13. Any other duties consistent with the officer's responsibilities, qualifications and experience, relevant to the purpose of the job as may reasonably be requested by the Chief Executive or directors.
