**GAS BOTTLES**

74. Gas is available from the Park and if you wish to purchase Gas from us this must be paid for before delivery. All gas purchased off the Park must be fitted by a Gas Safe Qualified Person.

75. Gas delivery times may vary; please check with your Park Reception for further details.

76. The onus is on you to ensure that you have enough gas to last during the times when the Park office is closed.

77. There is a maximum limit of two gas bottles per caravan and under no circumstance may Gas bottles be kept inside your caravan.
INSURANCE

78. Your caravan must be fully insured in accordance with terms of your Licence Agreement. We recommend you insure through the Park operated scheme; Please note, all Owners must provide us with a copy of their insurance certificate.

OCCUPANCY OF CARAVAN

79. You may only use the caravan as holiday accommodation and not as your only or main residence. (Owners only)

80. You are not permitted to use the Park’s address as your main or only address. (Owners only)

81. If you make your caravan available for use by family or friends they must adhere to our ‘Rules/Terms & Conditions’ which can be found in the office.

82. Please make reception aware of any visitors that may be occupying your caravan when you are not.

HOSEPIPES

83. We understand that there is a need for hosepipes to be used when washing your Caravan and decking. However, we have on numerous occasions discovered that some owners are using hosepipes to wash their cars and leaving them running for a Prolonged period of time, which results in water being unnecessarily wasted. Aside from the cost implications to the Park, more importantly this is also an environmental issue. The rules on hosepipes are as follows:

84. Only one hosepipe per caravan is permitted to be in use at any given time

85. In an effort to maintain a reasonable water pressure throughout the Park, hosepipe use should be kept to an absolute minimum (except in an emergency).

86. Hosepipes are not to be left running

87. You may only use the hosepipe to wash your caravan and/or decking.

88. Non-return valves must be used on all hosepipes.

89. Pressure washers are permitted.

90. Flowers/flower beds must be watered using a watering can and not by leaving a hose pipe running.

CARAVAN & CARAVAN EQUIPMENT

91. Your caravan must be kept in a good state of repair.

92. ‘For Sale’, or similar signs may be displayed in your caravan.

93. Wooden pallets, pieces of timber, empty gas bottles and all other rubbish must be disposed of correctly.

94. All Owners caravans must be fitted with a smoke and heat detector, carbon monoxide detector and fire extinguisher; these must be kept serviced, in good working order and checked regularly.

95. Any heating or cooking appliances used in the holiday home must comply with the appropriate British Standards in relation to construction, installation and ventilation. (Owners)

96. Any fixed ventilation in your caravan must not be obstructed, blocked over or replaced by closable (hit and miss) type vents as they may cause condensation

97. A spare set of keys for your holiday home must be left at the office; this is for emergency purposes and no charge is made. (Owners)

EXTERNAL STORAGE BOXES

98. You are only permitted to have two metal or plastic external storage box (timber boxes are not permitted) You are also strictly prohibited from storing items underneath your caravan.

Your storage box must be located at the back or side of your caravan. If this is not possible, it is to be located on the same side of your caravan as the door.
BARBECUES

99. A maximum of one BBQ per pitch is allowed. Your BBQ must be stored on the side of your caravan where the door is located.

CARAVAN DECKING, PATIOS AND EXTERIOR DEVELOPMENTS

100. Developments to your caravan may only be carried out with the express permission of the Park owners. This includes decking, patios and all types of masonry work, fences, slabs or any other type of work that will alter the appearance of your caravan, its pitch or surrounding area.

WINTER STORAGE

101. Caravans should be drained down during the closed season. (Owners)

102. All windows, skylights and doors should be locked securely. Insurance companies recommend that curtains are left open and windows not covered over when holiday homes are left for winter storage; also, any valuable items should be removed from the holiday home, or put out of sight.

FIRE SAFETY IN CARAVANS

It is important you ensure that all the necessary safety requirements are followed in your caravan. These include precautions as follows:

103. Ensure that your electrical installation is checked every 3 years by a qualified person and a certificate is issued and sent to the Park Reception. (Owners)

104. Ensure that your electrical appliances are checked (PAT tested) annually by a qualified person and a certificate is issued and sent to the Park Reception. (Owners)

105. Avoid the use of electrical extension leads or ‘multi-point’ adaptors where possible.

106. Ensure that your gas installation is checked annually by a Gas Safe Registered contractor and a certificate is issued and sent to the Park Reception. (Owners)

107. Make sure that smoke/heat detectors are operating correctly and are checked regularly.

108. Make sure you have fire extinguishers and Carbon Monoxide alarms and that they are regularly checked and correctly positioned.

109. Make sure that no combustible/flammable items are stored either under or near the caravan. Particular care should be taken with items such as petrol containers and paint.

110. Arrange furniture so that doorways are kept clear of obstructions at all times.

111. Provide yourself with torches for use in case of a power cut.

112. Make sure that anyone using the caravan knows what to do in case of a fire, e.g. how to raise the alarm, where to assemble, etc.

GIFTING A CARAVAN

113. If you intend to Transfer ownership of your Caravan to a Family member then you must supply the Company with proof of the relationship. I.e.

- A written declaration under oath, explaining the family relationship between the occupier and the proposed occupier
- Birth certificate or certificate of adoption
- A certificate of marriage or civil partnership

There will be no administrative charge made for the change of ownership by the Company. You must fill out a proposed gifting form which you can obtain from the Park Reception.

SELLING YOUR CARAVAN

114. You may sell your Holiday Home at any time, either via an agent, window advertisement, local media, or via the Company. There will be a commission owed to the Company of 10%.
When selling your Holiday Home, you may only sell it under the rules of your current agreement and the length of your License. You and the buyer must complete a Notice of proposed Sale form and hand it in to the Office.

This form can be obtained from the Site Office.

**CARAVAN RELOCATION**

115. For the needs of the business and to comply with Legislation regarding spacing, it may be necessary to relocate your caravan at any given time, you will be relocated to a plot of equal standing.

**THE COUNTRYSIDE CODE**

Parts of our Park have uneven terrain, Badgers, Foxes, and other potential hazards. Careless behaviour could result in injury. Keep to designated Footpaths where possible. Always be aware of where you are walking.

**PROBLEMS & QUERIES**

If you have any problems or queries that you feel need addressing, please feel free to come and see one of our representatives at any time. We pride ourselves on our approachability, and by discussing matters on a one-to-one basis we will deal with your queries with the utmost confidentiality and with the intent of a successful outcome.
